'For Sale'

Simanda Park Black Sapphire

Black Australian Filly 5yrs (Reg)
Sire: Formantero III (dec) Dam:
Rangemore Pearl (dec)

Sapphire is offered for sale. I had great plans for her and have realised that I am not able to do her justice. She will only go to someone who is able to convince me that they can offer her a better home than I can. She has a life of a Princess, she is rugged and stabled. With consistent work she will excel. At the

present I have Jade Moody come in once a week to ride her and she is thrilled with how she is going. Sapphire looks for the rider for confidence and to tell her its ok. She needs a home with someone who has soft hands and will just get on and ride. She has had another growth spurt and would say is sitting around 15hds+. Would suit a small adult or teenager.
