Syd Hill Stock Saddle – \$300.00 Contact: Morag Duley [equuslodge@equuslodgestud.com](mailto:equuslodge@equuslodgestud.com)

This synthetic saddle has not been used often and this is apparent by its near new condition. It is easy care, light weight and comfortable. The perfect saddle for bush riding. This saddle has a medium gullet and a 17" seat. The 17" measurement is from the centre of the cantle to the point mid way between the leg blocks, so it is more like an 18" dressage saddle size.
